

State of Nevada / Nevada Water Environment Association

Application for Renewal of Nevada Non-Regulatory Certification

When you renew, ensure your application is complete. You must submit:

1. The Renewal Application.
2. A check for \$130 or mark "Paying by credit card" and
3. Copies of certificates for contact hours earned during the two year cycle in which the certificate was in force. Please, make sure the application is filled out **completely**.

A few notes to make processing your application faster:

1. Fill out all pages of the application. Be sure to **sign and date** the second page.
2. Submit copies of certificates from contact hours earned during the two year cycle in which the certificate was active.
 - a. Grade I operators are required to submit 5 hours of approved training.
 - b. Grade II operators are required to submit 10 hours of approved training.
 - c. Grade III operators are required to submit 15 hours of approved training.
 - d. Grade IV and V operators are required to submit 20 hours of approved training.
3. Submit your application **early**, if we need clarification, we will strive to contact you prior to the deadline date. If you wait to submit until due date and we find your application to be non-approvable, you risk having to reinstate with penalty costs incurred.
4. **Your operator certification is important to your livelihood. YOU** should review your application for completeness/accuracy before you sign it, especially if someone else filled it out for you. It only takes a few minutes to review your application to make sure it is accurate and complete.

Help us to help you get your renewal completed on time! Get your applications in early! Don't risk being denied because we need more information!

PROGRAM: Quality Analyst Industrial Waste Inspector Collection System Operator
 Industrial Waste Operator (P/C) Industrial Waste Operator (B) Plant Maintenance Technologist

Name _____ Certificate Number _____

CODE OF CONDUCT

The Wastewater Professional Code of Conduct requires certificants holding Wastewater Treatment Plant Operator, Collection System Operator, Industrial Waste Operator, Industrial Waste Inspector, Plant Maintenance Technologist and Wastewater Quality Analyst certifications to act honestly, competently, and with integrity and to use their knowledge and skill for protection of the environment. As a condition of holding and maintaining a Nevada certification, I agree to:

- Be truthful and accurate in what I say, do, and write.
- Adhere to all laws and regulations applicable to the profession.
- Promote and encourage the highest quality of wastewater facility/system operation within the industry.
- Not misrepresent nor permit misrepresentation of my qualifications or the qualifications of my associates.
- Not conduct myself in a manner that subverts or attempts to subvert the minimum certification requirements, application processes, or examination processes.
- Uphold and follow all certification policies and procedures.
