

# CALL FOR PAPERS

## NEVADA WATER ENVIRONMENT ASSOCIATION 2019 ANNUAL CONFERENCE

JANUARY 29-30, 2019  
ATLANTIS CASINO RESORT  
RENO, NV

NWEA is seeking papers to be presented at its Annual Conference. All papers within in the subject matter of wastewater, collection systems, water reuse, stormwater, and other related water fields will be considered. We are also specifically looking for papers within the subject areas listed below.

### "Training Our Water Professionals for the Future"

#### WASTEWATER

- Nutrient Recovery Technologies,
- Treatment Innovations, Design, Upgrades
- Treatment Optimization, Operations Improvement
- Plant Design and Operations Basics
- Pretreatment and Local Limits
- Biosolids Management
- Process design/Upgrades

#### WATER REUSE

- Effluent Disposal
- Indirect Potable Reuse, Direct Potable Reuse
- Aquifer Storage/Recovery

#### COLLECTION SYSTEMS

- Gravity Sewer Design, Technology, and Innovation
- Lift Station Design, Technology, and Innovation
- Force Main Design, Technology, and Innovation
- Condition Assessment, CMOM, Planning

#### STORMWATER

- NPDES Permit Compliance
- Stormwater Program Management/Treatment Design/LID
- Stormwater Monitoring and Sample Collection
- Assessing Stormwater Impacts on Receiving Waters
- Treatment Design/LID
- Stormwater District Development and Rate Structure

To have your presentation considered, please submit the digital package via email to [conference@nvwea.org](mailto:conference@nvwea.org). Presentations should be approximately 45 minutes long to allow for adequate time for questions.

#### The digital package must include:

1. A file in a Microsoft Word compatible format: **title of the presentation, names of the presenters** and an **abstract (no more than 250 words)**. Also **identify the audio/visual needs** (laptop computer, internet connection) and the **anticipated length of the presentation** and allow for 10 minutes of question and answer with the audience.
2. In a separate Microsoft Word compatible format file, **reference the presentation title** as included in the abstract and provide a **biography for each speaker** in the following format:

Name:

Title or Profession:

Company or Organization:

Academic degrees achieved, and from where?: Certifications? (P.E., CPESC and/or others):

Experience (please limit to 100 words):

What is your passion? (Please limit to 50 words):

If you have questions, please contact Nikita by phone at (702) 335-6717 or by email at [conference@nvwea.org](mailto:conference@nvwea.org)
